this is a bold painstakingly researched and wide ranging assessment of the british cheer in the napoleonic era reference to the cheer in accounts of the time is virtually ubiquitous and repeatedly the claim was made for cheering as an integral part of british

be quick but don t hurry presents the team building management secrets of the greatest coach of the twentieth century cloaked in the heartwarming tale of the reluctant protege who learned those secrets in spite of himself perhaps the least controversial sports honor in living memory was the selection of john wooden as coach of the century by espn honoring his ten ncaa basketball championships in a twelve year stretch his ucla teams won with great centers and with small lineups with superstars and with team effort always with quickness always with class wooden was a teacher first and foremost and his lessons taught on the basketball court but applicable throughout one s life are summarized in his famed pyramid of success andrew hill was one of the lucky young men who got to learn from wooden in his favored classroom though that is hardly how hill would have described it at the time an all city high school player in los angeles hill played a little on three national champions from 1970 to 1972 hill was left embittered by his experience at ucla he was upset at how unequally wooden treated his starting players and his substitutes hill went on to a successful career in television rising to the presidency of cbs productions where he was responsible for the success of such popular series as touched by an angel and dr quinn medicine woman hill s job required him to manage many creative people with the egos and insecurities that usually go along with such talents and one day some twenty five years after he graduated he was hit with the realization that everything he knew about getting the best out of people he had learned directly from coach john wooden with no small trepidation hill picked up the phone to call and thank his old coach and unexpected mentor to his surprise wooden greeted him warmly and enthusiastically a strong friendship sealed in frequent visits and conversations ensued and
